!!!!!ONLY INSTALL THE UPDATE AFTER CALLING TECH SUPPORT!!!!!

VERSION 22.3 Release Date 6-1-2025 **MUST BE INSTALLED** BEFORE THIS UPDATE CAN BE INSTALLED.

1. Install your update after you have run your daily reports and closed your business day.
2. If you have started preparing a current payroll you must complete it before installing.
3. **Make a backup copy of the program and data files.**

THESE ARE PERMANENT BACKUPS. WRITE TODAY'S DATE AND VER 22.3 ON THE BACKUP LABELS AND PUT THEM IN A SAFE PLACE FOR STORAGE.

Exit from the program before proceeding

NOTE: IF YOU ARE RUNNING THE PROGRAM OVER A NETWORK, BE SURE ALL STATIONS ARE LOGGED OFF.

If you have Security turned on you will need to setup user names and passwords again if new security check points have been added or updated. If your name and password no longer work use the following.

Name: GP
Password: 1

CALL TECH SUPPORT AT (972-234-0375) BEFORE INSTALLING THE UPDATE. TECH SUPPORT WILL WALK YOU THROUGH THE INSTALL PROCESS.

INSTALLING VERSION 22.5 UPDATE

1. **To install the update from the Auto Repair Boss website,** please use the link provided in the email received from us to download and run the update.
2. After the "installation" program has been started. Accept all the default setting unless Tech Support tells you otherwise. You accept the default settings by clicking on the "NEXT" button. After this procedure has been completed you will be returned to the Main Screen of Windows. (The Desktop) Proceed to the next step.

3. Register the software.

Register your program Via the Internet using the following steps:

1. Select "Register" from the Auto Repair Boss main menu.
2. Select "Register Via the Internet".
3. Press the "Register Program" Button. Fill in the needed fields with information from the Registration Information from your original email if required.
4. Press the Ok button.
The program will return the message "Registration Information Retrieved Successfully" if everything went ok.

4. You will need to setup any new features that have been added and review any program changes.
